New Admiralty Leisure Tough Chart for Plymouth Sound and Rivers

Admiralty Leisure Tough Chart completes coverage of the South Coast of UK.

The United Kingdom Hydrographic Office (UKHO) Admiralty Leisure has launched the latest in its series of ever-popular Tough Charts in the form of a brand new Tough Chart for Plymouth Sound and Rivers.

The new Tough Chart (SC5913) provides various scale coverage from Plymouth Sound to Gunnislake, including major rivers and estuaries, in the form of 10 robust and durable pages. Also included is a comprehensive index diagram detailing coverage of this product.

Designed specifically for the Rigid Inflatable Boat (RIB), dingy and wet boat enthusiasts it is also great for use on deck on any vessel. Admiralty Tough

More...

Charts are completely waterproof, A3 sized, spiral bound booklets containing approximately 16 charts of the specific area as well as approach plans covering popular harbours. Tough Charts aren't just designed to get wet: they positively love it!

The Tough Chart contains charted detail of Plymouth Sound Marinas and local Rivers in the area at various scales; all charts are referred to WGS84 datum. This Tough Chart, along with SC5904, Falmouth to Plymouth, SC5903, Plymouth to Bill of Portland, SC5914, Rivers and Harbours of South Devon and SC5912, Rivers and Harbours of South Cornwall, now completes Leisure Folio coverage of the South Western Coast of England. SC5913 is priced at £30.00 (UKRRP).

Notes for Editors

1. The UKHO, which is part of the Ministry of Defence, has been charting the world's oceans for more than 200 years with the primary aim of providing navigational services for the Royal Navy and merchant mariners to save and protect lives at sea. In addition it also serves the small craft and leisure mariners and provides a range of consultancy services.
2. The UKHO produces a worldwide series of some 3,300 paper nautical charts and 160 publications under the Admiralty brand and has a growing portfolio of Electronic Navigational Charts (ENCs). These charts are sold globally and used by nearly 70 per cent of international shipping.
3. The UKHO is a Trading Fund which means it is a government agency owned by the MoD with the freedom to trade commercially to generate revenue and cover running costs.
4. The UKHO also plays a central role, in support of the Maritime and Coastguard Agency, in discharging the navigation element of the UK's Safety of Life at Sea Treaty obligations for waters of UK national responsibility.
